Plenum Rated HDMI to DVI Cable

Kramer's HDMI/DVI series are high−performance plenum cables with HDMI connectors at one end and a DVI connector at the other. They are designed to connect between digital video sources and displays and recorders that don't have both DVI and HDMI connectors.

FEATURES

- Quality Construction - HDMI to DVI Single Link (18+1 pin) cable provides excellent conductivity at high frequencies and longevity without degradation.
- High Quality Connectors - Gold−plated connectors resist corrosion and offer the best possible connectivity.
- Varied Selection of Lengths - Available in versions of 25, 35, 50 & 65 ft.
